## ABOUT US

**We make the best animations for you, a surety to enhance your success.**

For years, CODESGHOST has achieved different milestones in the field of animation and motion graphics. We are an in-house studio that has built its foundation on commitment, professionalism, and dedication. These are the sole features that make CODESGHOST different from the rest. We work tirelessly and efficiently in coming up with nuance in every project. Our highly skilled team makes sure that you enjoy the outstanding service.

## Always there for your care, our Services

2D Animation

2D explainer video or a motion graphics video, is the shortcut to attract clients in no time. 2D animation enables you to convey your descriptive message in a concise and catchy manner. The tools we use for 2D animation are Adobe Aftereffects, Adobe Illustrator, and VideoScribe.

Scriptwriting

A good script is the building block of a perfect animation. It enables the animators to unleash their creativity within the written framework. CODESGHOST makes sure that our team writes the best, concise and appealing script which would eventually enhance the essence of animation.

[Learn More](#)

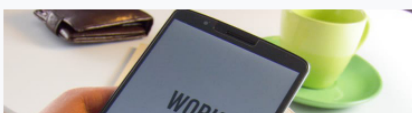

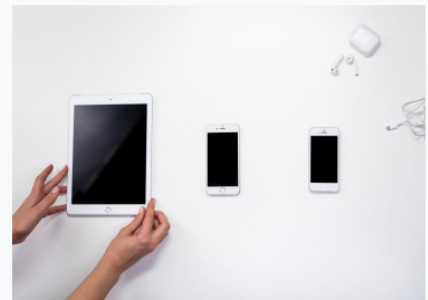

Voiceover

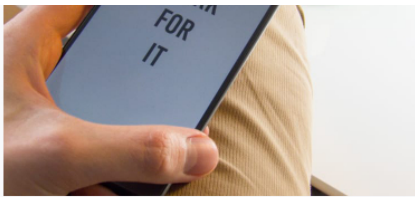

We offer professional voiceover artists with US and UK accents. You have the option to choose from male or female voices. With perfect pitch and deliverance, your animation becomes 10× better.
